INFORMATION FOR INTERNATIONAL ENTRIES

Judo New Zealand use some modified rules which you need to be aware of, as follows;

**BOYS & GIRLS (-15) TECHNICAL RESTRICTIONS**
For contests in the Junior boys/girls and Senior boys/girls divisions, the following techniques will not be awarded a score:

Any throws where tori drops directly to both knees.

When this occurs in a contest, the referee shall immediately call “Matte” and resume the contest from a standing position (i.e.; no transition into ne-waza occurs).

The technique shall not be penalised UNLESS it constitutes the awarding of a penalty under the existing contest rules (e.g. persistent infringing constituting preventing opponent from attacking, false attack, etc).

Note that the intention of these restrictions is mainly to encourage the development of sound, safe Judo fundamental techniques in young players.

**CADET DIVISION**

Armlocks are NOT permitted in Cadet Categories. (NB: Cadets competing in older age divisions may use armlocks in these divisions).

Cadets in their final year as a cadet (i.e. year they turn 17) will be permitted to enter senior categories in addition to junior categories. All other Cadets will only be allowed to enter junior division in addition to the cadet categories.

Senior Boys/Girls in their final year as a boy/girl (i.e. year they turn 14) will be permitted to enter Cadets
